ABOUT ME

I am a B.Tech CSE student with a specialization in DevOps at Chandigarh University, originally from Himachal Pradesh, India. Passionate about building real-world software, I have actively worked on multiple web and app development projects while progressing through his engineering degree. practical experience in web development, working with technologies such as HTML, CSS, JavaScript, React, Node.js, Express, and related modern web tools. I also know Java, JavaScript and use Git and GitHub for version control, which helps to manage and collaborate on projects efficiently. [click here](#).
